p/ +61 (0)7 4724 0892

f/ +61 (0)7 3236 4266

Kevin was with Hill Michael for 12 months as an undergraduate and is now a full time employee, having graduated in July 2010. Kevin works closely with our engineers by supporting them in both technical matters pertaining to the electrical network, as well as the Project Management area by managing a multitude of projects on their behalf.

Kevin has travelled to supplier facilities to witness quality inspections and also to site as required. Kevin also has experience with document control and programming in a variety of languages for technical studies.

Specialist Areas

- Technical Assistance
- Document Control
- Network Investigation Studies (DINIS)
- Programming
